Bread is present at breakfast early in the morning, through snacks, and until late at dinner. In this daily routine, in addition to needing bread that gives us quality and versatility, we need well-preserved bread. The baguette PLUS gourmet has a very thick crumb, a golden crust, very crisp and fine, and a soft and floured coating that gives it a rustic touch. This thin and elongated baguette has a sweet and light flavor that makes this bread a bread that combines with any food. It is ideal as table bread for every day, for sandwiches and on toasted slices of bread at breakfast.
