Bread is present at breakfast from first thing in the morning, through meals and snacks, until late at night at dinner. In this daily routine, besides needing bread that gives us quality and versatility, we need bread that is well preserved. The Big Gourmet is a bread for the day to day. It has a very elastic and spongy crumb and a golden and thin crust. The soft flour coating gives this piece a very rustic touch. Its soft flavour and lightness make this loaf a bread that combines with any food. It is ideal as table bread for every day, for sandwiches, and on toast for breakfast.
