BAGUETTE GOURMET LARGE READY

The fastest and easiest way to enjoy freshly baked bread. The Ready Gourmet Baguette is a classic bread loaf designed to offer maximum convenience without compromising on taste. Made with a simple and honest recipe (wheat flour, water, salt, yeast, malted and toasted barley flour, malted wheat flour, and enzymes) this baguette is the perfect solution for anyone who needs high-quality bread ready in seconds. Its greatest advantage is its ease of use: it only needs to be thawed before serving. No baking is required, although a quick finish in the oven or toaster enhances its crust and aroma, giving it the taste and appearance of freshly baked bread that customers will love. Serving suggestion: Perfect for hotels, restaurants, cafés, catering services, and supermarkets looking for a fast, high-quality bread solution.
