SANDWICH KOSKOR

The Koskor family is characterised by its bread with two stage fermentation process, high hydration and rustic appearance. To our recipes oriented to daily consumption, we have sharpened them, never better said, giving them new forms and more volume. This is a bread with a long shelf life which, thanks to its soft textured crumb, is easy to digest. Without additives or preservatives, it is a bread made for all types of consumers and moments of consumption. Easy to pair and combine with other foods.
