WHITE GOURMET ROLL

55GR
COOKED WEIGHT

This small piece of 55 grs is the safe bet for the hostelero. Thanks to the two-stage fermentation process it receives, we get a bread with volume, a more spongy crumb and a slightly sweet flavour and aroma. The advantage of this bread is that it has a rustic appearance, with a floured crust and a very marked ridge, so you get an attractive product that works both on the table and in montadito or even in skewer bar. This piece is a fully baked bread.
