# RUSTIC SESAME LOAF

**340GR**  
 PRE-COOKED WEIGHT

Rustic bread high in fiber, with the subtle touch of toasted sesame. The Rustic Sesame Loaf is a rustic-style bread designed for everyday consumption, but with a touch of personality that sets it apart thanks to the sesame seeds. Made primarily with wheat flour (97%) and a touch of rye (3%), and enriched with toasted sesame seeds (2%), this bread offers a mild flavor with delicate notes reminiscent of hazelnut. The addition of wheat fiber not only improves the bread's nutritional profile — allowing it to carry the “high in fiber” claim — but also enhances its texture and shelf life. Fiber helps retain more water during preparation, resulting in a moister, softer crumb and greater durability.
