TRONQUETE-CIABATTA

The Tronquete- Chapata is one of OKIN's most iconic breads. It is a bread with a very marked rustic character, crispy crust and pronounced chalk. Cooked in a sole oven and with two stage fermentation process it is a highly hydrated bread, so it keeps fresh all day long. Thanks to the sourdough it gets a very intense taste. It has a cream-coloured honeycombed crumb with great elasticity. Ideal for slicing at breakfast as it also provides good presence at the table, buffet, etc.
