BAGUETTE 100% WHOLEWHEAT

In the pursuit of an optimal nutritional profile, at Okin we have developed a range of breads made with whole wheat flour. Appetizing, delicious... The kind you simply can't stop eating once you start. Breads crafted with care and the most natural ingredients. This 100% whole wheat baguette features an unmistakable golden-brown tone, a subtly floured crust, and all the benefits of the whole grain. With a dense, dark crumb, this bread has a distinctive flavor, as the whole ingredients give it a slightly bitter and very unique taste. Whole grains are rich in fiber, vitamins, and minerals and contribute to the proper functioning of our digestive system.
